

48th ANNUAL

SMOKY MOUNTAIN INVITATIONAL SWIM MEET

July 9 & 10, 2021

Specialty Workers Form

As always, we appreciate the tremendous help each team gives us the weekend of the meet. It takes more than 500 volunteers to make SMI a successful event every year! Each team's number of entries will determine the number of workers assigned to each team on Saturday and Sunday. In most cases, teams can expect assignments similar to previous years.

In order for the meet to run as efficiently as possible, we are looking for key people to help us with "specialty" jobs. We are looking for volunteers to help with: stroke and turn judges, head timers, starters, deck referees and announcers.

Please fill out the table below and then type the information in an informal e-mail and send it to Chris Riser at riserc@bellsouth.net by **Friday, June 24, 2022**. The other jobs (timers, marshals, ribbons, etc.) will be assigned on a team-by-team basis. You will receive an email with your non-specialty job assignments by Saturday, July 3, 2022.

Jobs will be broken down into approximately three hour shifts. Except for "specialty" jobs, teams may break up their jobs as they wish as long as the shift is covered and worker changes are smooth. Normal worker changes will occur every 10 to 12 events. We will attempt to assign teams the same job for the entire day. **Regardless of the job assignments, all workers are to report to the Information Tent 10-15 minutes before their shift begins.** Warm-up times and worker assignment sheets will be posted on the SMI page of flyingdolphins.org.

PLEASE RETURN THE INFORMATION REQUESTED ON THIS WORKERS

FORM By: Friday, June 24, 2022

To: Chris Riser at riserc@bellsouth.net

A response e-mail will be sent to team representatives and specialty workers early in the week of June 27, 2022.

RULE ENFORCEMENT

The worker rule is strictly enforced. For each worker not showing up at their designated time or event, their team will be penalized 50 points! **Not showing up for appropriate shifts delays the meet!**

Specialty Workers Form

Please send the information below via e-mail to Chris Riser at riserc@bellsouth.net
